IMPORTANT

Amid ongoing concerns about the COVID-19 outbreak, the Corporation remains mindful of the well-being of our Shareholders and their families, our industry partners and other stakeholders. The Corporation currently intends on holding an in-person shareholder meeting due to corporate law requirements, with the necessary restrictions and alternatives set forth in the following paragraphs. However, as COVID-19 is a rapidly evolving situation, the Corporation will continue to monitor and review provincial and federal governmental guidance in order to assess and implement measures to reduce the risk of spreading the virus at the Meeting, which may include potentially adjourning or postponing the Meeting. The Corporation will provide updates to any arrangements in respect of the Meeting by way of news release. Shareholders are encouraged to monitor the Corporation's website at www.southernenergycorp.com or the Corporation's SEDAR profile at www.sedar.com, where copies of such news releases, if any, will be posted.

The Corporation, in accordance with current public health guidelines, strongly discourages Shareholders from physically attending the Meeting, and, in order to ensure as many Common Shares as possible are represented at the Meeting, strongly encourages registered Shareholders to complete the Form of Proxy and return it as soon as possible in accordance with the instructions outlined above (in bold). Shareholders who do not hold their Common Shares in their own name are strongly encouraged to complete the voting instruction forms received from their broker as soon as possible and to follow the instructions set out in the accompanying management information circular (the "**Information Circular**"). In addition, only registered Shareholders or their duly appointed proxy holders will be permitted to attend the Meeting.

Depository Interest Holders

Depository Interest Holders (Beneficial shareholders) who hold their common shares through the depository Link Market Service Trustees (Nominees) Limited (the "**Depository**") are required to follow the instructions set out below.

Depository Interest Holders can direct the Depository how to vote their common shares or abstain from voting by completing, signing and returning the enclosed form of direction (the "Form of Direction"). To be valid, the Form of Direction must be filled out, executed (exactly as the shareholder's name appears on the Form of Direction), and returned by mail using the enclosed envelope, or by courier or hand delivery to the office of the Depository, Link Market Service Trustees (Nominees) Limited, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, **no later than 5:00 p.m. (BST) on 8 June 2022** in order for the Depository to vote as per your instructions at the Meeting. Alternatively, Depository Interest Holders may instruct the Depository how to vote by utilizing the CREST electronic voting service as explained under the following "CREST Voting Instructions" heading below.

The Corporation, in accordance with current public health guidelines, strongly discourages depository interest holders from physically attending the Meeting.

Notwithstanding the above, depository interest holders wishing to attend the Meeting in person will need to instruct the nominee (Link Market Service Trustees (Nominees) Limited) to send a Letter of Representation on headed paper to Link Group via e-mail to nominee.enquiries@linkgroup.co.uk **no later than 5:00 p.m. BST on Wednesday 8 June 2022**. Once registered, depositary interest holders will receive an email with a link and instructions on how to access the Meeting via webcast. While the instructions will allow you to listen to the Meeting and ask questions, the Meeting is not a virtual meeting and you will not be able to vote at the Meeting through the webcast.

CREST Voting Instructions

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting or any adjournments or postponements thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (the "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted by no later than 8 June 2022 (under CREST Participation ID RA10). The time of receipt will be taken to be the time from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instruction. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Corporation may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

Revocation of Proxies

A Registered Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Registered Shareholder or intermediary or his or her attorney authorized in writing, or, if the Registered Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either: (a) with the Corporation at its offices or at the office of the Corporation's agent, Odyssey Trust Company, Trader's Bank Building 702, 67 Yonge Street, Toronto, ON, M5E 1J8, at any time prior to the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxies

A Registered Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Registered Shareholder or

intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name ("Beneficial Shareholders"). You are most likely a Beneficial Shareholder if your bank, trust company, securities broker, trustee, or other financial institution (your nominee) holds your Common Shares in their name or the name of another intermediary. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares on the Record Date can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker or other intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker, an agent of that broker, or other intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). **Common Shares held by brokers or their agents or other nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate persons.**

Applicable regulatory policies require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to Registered Shareholders by the Corporation. However, the purpose of the broker's form of proxy is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form in lieu of a form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll-free telephone number or access the Internet to vote the Common Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Beneficial Shareholders who receive forms of proxies or voting materials from**

organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Common Shares at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting. Due to the current COVID-19 outbreak, at this time, only Registered Shareholders or their duly appointed proxyholders will be permitted to attend the Meeting. In addition, the Corporation strongly encourages all Shareholders to attend via conference call or webcast instead of physically attending the Meeting, and requests that Beneficial Shareholders complete the voting instruction form or form of proxy provided by their broker and return it as soon as possible in accordance with the above instructions. For further information, see "Important Note Regarding Social Distancing Measures", above.

If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Notice-and-Access

The Corporation has elected to use the "notice-and-access" provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation will not use procedures known as "stratification" in relation to the use of the Notice-and-Access Provisions, meaning that both registered and Beneficial Shareholders will be mailed a notification of availability of Meeting materials directing them to those websites where they can access the Information Circular and other relevant information (the "**Notice-and-Access Notification**"). If you receive the Notice-and-Access Notification and would like to receive a paper copy of the Information Circular and other relevant information, please follow the instructions printed on the Notice-and-Access Notification and the materials will be mailed to you. All materials will be forwarded to Shareholders at the Corporation's expense.

The Corporation anticipates that notice-and-access will directly benefit the Corporation through substantial reductions in postage and printing costs. The Corporation believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy-related materials.

The Corporation does not intend to pay for intermediaries to forward the Notice-and-Access Notification to Beneficial Shareholders who have objected to their intermediary/broker disclosing ownership information about them pursuant to applicable securities laws ("**Objecting Beneficial Shareholders**"). Consequently, an Objecting Beneficial Shareholder will not receive the Notice-and-Access Notification unless the Objecting Beneficial Shareholder's intermediary/broker assumes the cost of delivery.

Shareholders with questions about notice-and-access can call Odyssey Trust Company at **587-885-0960** or toll free at **1-888-290-1175**.

In order to receive a paper copy of this Information Circular and other relevant information, requests by Shareholders may be made up to one year from the date the Information Circular was filed on System for Electronic Document Analysis and Retrieval ("**SEDAR**") by: (i) calling Odyssey Trust Company at **1-587-885-0960** or toll free at **1-888-290-1175**; (ii) by emailing a request to **info@southernenergycorp.com**; or (iii) online at the following websites: <https://southernenergycorp.com/investors/constitutional-documents/>. The Corporation estimates that a Shareholder's request for paper copies of the Information Circular and other relevant information will need to be received prior to **June 3, 2022** in order for such Shareholder to have sufficient time to receive and review the materials requested and return the completed Form of Proxy by the due date set out under the heading "*Completion of Proxies*" in this Information Circular.

In December 2021, the Corporation effected a consolidation of its Common Shares (the "**Consolidation**") on the basis of one post-Consolidation Common Share for every eight (8) pre-Consolidation Common Shares. The Consolidation was previously authorized by the Shareholders at the annual general and special meeting of Shareholders held on July 7, 2021. Trading of the post-Consolidation Common Shares on the TSX-V and AIM commenced on December 22, 2021.

Unless otherwise specified, all references to Common Shares, the issuance of Common Shares or the exercise or conversion price of any securities to acquire Common Shares in this Information Circular are presented on a post-Consolidation basis. In order to appropriately reflect the Consolidation, Common Shares issuable pursuant to existing grants of Options were divided by eight (8) and the corresponding exercise prices of those Options were multiplied by eight (8).

A "**Named Executive Officer**" or "**NEO**" means each CEO, each CFO, the Corporation's most highly compensated officer, other than the CEO and

CFO, who was serving as an officer at the end of the most recently completed financial year and whose total compensation was more than \$150,000, and any additional individuals who would be a Named Executive Officer but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of the financial year.

Based on the foregoing definitions, the Corporation's Named Executive Officers in respect of the year ended December 31, 2021 were: Ian Atkinson, President, President & CEO and a director; Calvin Yau, VP Finance & CFO; and Gary McMurren, Vice President, Engineering.

Compensation Philosophy, Objectives and Governance

The executive compensation program adopted by the Corporation and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The executive compensation program attempts to ensure that the compensation of the senior executive officers provides a competitive base compensation package and a strong link between corporate performance and compensation. Executive officers are motivated through the program to enhance long-term shareholder value.

The Corporate Governance and Compensation Committee, on behalf of the Board, monitors compensation for the executive officers and directors of the Corporation and is currently comprised of R. Steven Smith (Chair), Michael G. Kohut, Tamara MacDonald, Andrew McCreath, Neil Smith and John Joseph Nally. The Corporate Governance and Compensation Committee has the authority to engage and compensate, at the expense of the Corporation, any outside advisor that it determines to be necessary to permit it to carry out its duties, but it did not retain any such outside advisors in the financial year ended December 31, 2021.

Compensation Process

The Corporate Governance and Compensation Committee relies on the knowledge and experience of its members to set appropriate levels of compensation for the directors and NEOs. When determining NEO compensation, the Corporate Governance and Compensation Committee uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Corporation, responsibilities of the particular NEO and retention of the NEOs who are considered by the Corporate Governance and Compensation Committee to be essential to the success of the Corporation. In reviewing comparative data, the Corporate Governance and Compensation Committee benchmarks and compares its compensation practices against industry peers to ensure its compensation program is commensurate with other comparable companies operating in the oil and gas industry. The Corporate Governance and Compensation Committee considered the size (based on market capitalization, enterprise value, oil & gas production levels and concentration and operating revenue) and stage of development of the following eight companies in determining an appropriate compensation peer group of competitors:

- Advantage Oil & Gas Ltd.
- Canacol Energy Ltd.
- InPlay Oil Corp.
- Petroshale Inc.
- PetroTal Corp.
- Spartan Delta Corp.
- Cuda Oil and Gas Inc.
- Leucrotta Exploration Inc.
- Petrus Resources Ltd.
- i3 Energy Plc

Peer group constituents are reviewed on a regular basis to ensure their continued relevance. The same group is used to benchmark the Corporation's director compensation.

The Corporate Governance and Compensation Committee reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary and awards of Options) and recommends the NEOs' compensation packages to the Board. In determining whether and how many Options will be granted, the Corporation does not use any formal objectives, criteria or analyses in reaching such determinations; however, consideration is given to the amount and terms of outstanding Options.

Elements of Executive Compensation

The significant elements of compensation awarded to the NEOs are a cash salary, bonus and Options. The Corporation does not presently have a long-term incentive plan for its NEOs. The Board reviews annually the total compensation package of each of the Corporation's executives on an individual basis, against the backdrop of the compensation goals and objectives described above.

Cash Salary and Bonus

Base compensation and bonus for executive officers of the Corporation is set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions and peer group analysis. In setting base compensation and bonus levels, consideration is to be given to such factors as level of responsibility, experience and expertise in addition to the policies of the TSXV. Subjective factors such as leadership, commitment and attitude are also to be considered.

Options

To provide a long-term component to the executive compensation program, executive officers of the Corporation are eligible to receive Options. The maximization of shareholder value is encouraged by granting Options since it provides an incentive to eligible persons to further the development, growth and profitability of the Corporation. Consideration will be given to granting Options amongst the various organizational levels of management, including directors, officers, key employees and certain consultants. The CEO makes recommendations to the Board for the CFO, key employees and certain consultants. These recommendations are to take into account factors such as awards made in previous years, the number of Options outstanding per individual and the level of responsibility. The Board, as a whole, determines the Options to be issued to the CEO.

Share Awards

The purpose of the Share Award Incentive Plan is to provide directors, officers, employees and consultants of the Corporation or any of its subsidiaries with the opportunity to acquire Share Awards to allow them to participate in the long-term success of the Corporation and to promote a greater alignment of their interests with the interests of the Shareholders. The Board, or in the Board's discretion, a committee of the Board, may, from time to time, grant Share Awards to eligible persons, which Share Awards may be RSAs or PSAs. The Share Awards vest on such terms as specified by the Board or committee at the time of the grant of the Share Award and allow the participant a unit equivalent in value to a Common Share, credited by means of a bookkeeping entry on the books of the Corporation. The Share Awards may be settled at the discretion of the Board or Corporate Governance and Compensation Committee in Common Shares or cash.

The Share Award Incentive Plan was approved by the Board on April 25, 2022, subject to Shareholder approval at the Meeting. No awards were made under the Share Award Incentive Plan for the year ended December 31, 2021.

Elements of Director Compensation

The Corporation's non-executive directors are provided cash remuneration for their services to the Corporation as directors. The cash remuneration includes an annual retainer and additional cash remuneration for the Chairman of the various committees of the Board. All directors are reimbursed for reasonable expenses incurred by them in their capacity as directors, including travel and other out of pocket expenses incurred in connection with meetings of the Board or any committee of the Board. In addition, the directors are entitled to participate in the Stock Option Plan. The Corporation's directors do not have service contracts with respect to their roles as directors. The Board annually reviews the Corporation's approach to director compensation, generally, against the backdrop of the compensation goals and objectives described above.

Exercise of Compensation Securities

None of the NEOs or directors of the Corporation exercised any compensation securities during the most recently completed financial year.

Stock Option Plan

The Corporation has implemented the Stock Option Plan for directors, officers, employees, and consultants of the Corporation, and of its subsidiaries, if any, and employees of a person or company which provides management services to the Corporation or its subsidiaries (each, an "Optionee"), in accordance with the rules and policies of the TSXV. The purpose of the Stock Option Plan is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation, and of its subsidiaries and affiliates, if any, to acquire Common Shares, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentives in their efforts on behalf of the Corporation in the conduct of its affairs.

Amendments to the Stock Option Plan

Shareholders first approved the Stock Option Plan on November 20, 2019, and last approved the Stock Option Plan on July 7, 2021. In connection with updates to the policies of the TSXV, the Board reviewed the Stock Option Plan and adopted certain amendments effective April 25, 2022, as set out in the amended and restated Stock Option Plan appended hereto as Schedule "A". The intention of the amendments is to bring the Stock Option Plan up to date with the policies of the TSXV. Specifically, the following amendments were adopted:

- (a) The Board was granted the ability to, in its sole and absolute discretion, subject to any required approval of any regulatory authority including the TSXV, declare that the Optionee (other than those Optionees engaged in investor relations activities) shall be entitled to exercise Options on a "net" basis at any time prior to the expiry time of such Options, as further described in Section 11(f) of the Stock Option Plan.

- (b) Language was incorporated to clarify and confirm that Optionees have no entitlement to compensation in lieu of terminated awards, as further described in Section 13 of the Stock Option Plan.

An overview of the Stock Option Plan is provided below. Shareholders are encouraged to review the full text of the Stock Option Plan, as amended and restated, which is attached hereto as Schedule "A".

Overview of the Stock Option Plan

Pursuant to the Stock Option Plan, the Corporation has authorized, subject to any regulatory approvals, the reservation of up to ten percent of the issued and outstanding Common Shares for the grant of Options from time to time.

Under the Stock Option Plan, the Board may from time to time grant to Optionees, as the Board shall designate, Options to purchase from the Corporation such number of its Common Shares as the Board shall designate.

The aggregate number of Common Shares which may be reserved for issuance to any one person under the Stock Option Plan and which are subject to outstanding Options granted under the Stock Option Plan must not exceed five percent of the issued Common Shares (determined at the date the Option was granted). The number of Common Shares granted to any one consultant under the Stock Option Plan in a twelve-month period must not exceed two percent of the issued Common Shares of the Corporation, calculated at the date the Option was granted to the consultant. The aggregate number of Options granted to eligible persons employed to provide investor relations activities under the Stock Option Plan must not exceed two percent of the issued Common Shares in any twelve-month period, calculated at the date the Option was granted. The maximum number of Common Shares which may be reserved for issuance to insiders under the Stock Option Plan shall not exceed ten percent of the total number of Common Shares then outstanding and the maximum number of Common Shares which may be issued to insiders under the Stock Option Plan within any twelve-month period shall not exceed ten percent of the total number of Common Shares then outstanding.

The period during which an Option is exercisable may not exceed ten years from the date such Option is granted. All Options are non-assignable and non-transferrable unless otherwise specifically provided for in the Stock Option Plan. Options may be exercised at a price that shall be fixed by the Board at the time that the Option is granted. The price which the Common Shares may be acquired upon exercise of an Option may not be less than the price permitted under the rules of any stock exchange on which the Common Shares are listed. The Option vesting provisions are determined by the Board at the time of grant.

If prior to the exercise of an Option, the holder ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, the Option may be exercised within the earlier of up to 90 days after such cessation or the expiry of the Option, but only to the extent that the holder was entitled to exercise the Option at the date of cessation. In the case of Optionees engaged in investor relations activities, such exercise must occur within 30 days of cessation of the Optionee's service to the Corporation (subject to extension at the discretion of the Board). In the case of the death of an Optionee, the Option may be exercised within the earlier of up to 12 months after such death or the expiry of the Option, but only to the extent that the holder was entitled to exercise the Option at the date of death.

The Board may terminate or discontinue the Stock Option Plan at any time without the consent of the participants under the Stock Option Plan provided that such termination or discontinuance shall not alter or impair any Option previously granted under the Stock Option Plan.

As at the financial year ended December 31, 2021, there were 3,628,125 Common Shares reserved for issuance pursuant to the Stock Option Plan.

Share Award Incentive Plan

On April 25, 2022, the Board approved the Share Award Incentive Plan (subject to Shareholder approval) for Eligible Person (as defined herein) in accordance with the rules and policies of the TSXV. The purpose of the Share Award Incentive Plan is to provide directors, officers, employees and consultants of the Corporation or any of its subsidiaries with the opportunity to acquire Share Awards to allow them to participate in the long-term success of the Corporation and to promote a greater alignment of their interests with the interests of the Shareholders.

The Share Award Incentive Plan is administered by the Board or, as permitted by applicable law, the Corporate Governance and Compensation Committee of the Board.

Share Awards and Eligibility

Share Awards may be awarded to persons who are directors, officers, employees or consultants of the Corporation or a subsidiary of the Corporation ("**Eligible Persons**") as the Board determines. Eligible Persons who have been awarded Share Awards or to whom Share Awards have been transferred are referred to as "Participants" under the plan. Notwithstanding the foregoing, non-employee directors are not eligible to be awarded PSAs and are only eligible to be awarded RSAs. PSAs are a unit equivalent to the value of a Common Share, credited by means of a bookkeeping entry on the books of the Corporation in accordance with the Share Award Incentive Plan, based on the achievement of performance criteria set out in an applicable award notice. RSAs may be awarded to Eligible Persons as the Board determines. RSAs are a unit equivalent to the value of a Common Share, credited by means of a bookkeeping entry on the books of the Corporation in accordance with the Share Award Incentive Plan.

The number of Share Awards (including fractional Share Awards) to be credited as of the date on which Share Awards are awarded to a Participant (the "**Award Date**") shall be determined by the Corporate Governance and Compensation Committee in its sole discretion. Upon receipt of acknowledgment in the manner specified under the Share Award Incentive Plan, Share Awards shall be credited to an account maintained for each Participant on the books of the Corporation, effective as of the Award Date for that grant.

Vesting

Each Share Award will vest on such terms as shall be specified by the Board or Corporate Governance and Compensation Committee at the time of granting Share Awards as reflected in a notice substantially in the form of the schedules appended to the Share Award Incentive Plan, and in the case of the PSAs, containing such other terms and conditions relating to an award of PSAs as the Board may prescribe ("**Award Notice**"), except as otherwise provided in the Share Award Incentive Plan. Unless otherwise stipulated by the Board at the time of grant and subject to earlier vesting in accordance with the terms of the Share Award Incentive Plan:

- (a) RSAs granted under the Share Award Incentive Plan shall vest as to 33 1/3% on each of the first, second and third anniversaries of the Award Date applicable to such RSAs; and
- (b) Subject to the terms of the Share Award Incentive Plan, PSAs granted under the Share Award Incentive Plan shall vest on the third anniversary of the Award Date (each applicable date, a "**Vesting Date**").

Performance Vesting

Prior to the Vesting Date in respect of any PSA, the Board or Corporate Governance and Compensation Committee shall assess the performance of the Corporation for the applicable period. The performance measures to be taken into consideration in granting PSAs and determining the adjustment factor in respect of any PSA shall be established by the Board in its sole discretion at the time of the grant of the PSA, and may include, without limitation, the total shareholder return of the Common Shares compared to an index, subindex or identified group of peers and the Corporation's performance compared to identified operational or financial targets (the "**Performance Measures**"). The applicable adjustment factor may be between a minimum of zero and such maximum as determined by the Board or Compensation Committee (provided such maximum shall not exceed 2.0) (the "**Adjustment Factor**"). The weighting of the individual measures comprising the Performance Measures shall be determined by the Board or Compensation Committee, as applicable, in its sole discretion having regard to the principal purposes of the Share Award Incentive Plan and, upon the assessment of all Performance Measures, the Board or Compensation Committee shall determine the Adjustment Factor for the applicable period in its sole discretion.

Settlement

Unless otherwise determined by the Board in its sole discretion, the date of settlement of any Share Award (a "**Distribution Date**") shall be the applicable Vesting Date for such Share Award pursuant to the Share Award Incentive Plan, provided that, for greater certainty, the Board may in its sole discretion impose additional or different conditions to the termination of the Distribution Date of any Share Award. At any time after the applicable Vesting Date but prior to the Distribution Date, a Participant who is not a U.S. taxpayer shall be entitled to deliver to the Corporation an exercise notice requesting that all of such Participant's Share Awards be settled in Common Shares, the number of which shall be determined in accordance with the terms of the Share Award Incentive Plan. Notwithstanding the foregoing, the Company may, in its sole discretion, settle the Participant's Share Awards requested to be settled by the Participant in exchange for a payment by the Company of a cash amount, as determined in accordance with the terms of the Share Award Incentive Plan.

No Distribution Date in respect of any Share Award may occur after the earlier of: (i) the thirtieth day after the participant ceases to be eligible to participate under the Share Award Incentive Plan; or (ii) December 31st of the third year following the year in which the Participant performed the services to which such Share Awards relate (the earlier of the two being the "**Final Date**"). With respect to any Share Awards awarded to a participant who is a U.S. taxpayer, the Distribution Date shall be the applicable Vesting Date established pursuant to the Share Award Incentive Plan. Subject to any election by the Board or Corporate Governance and Compensation Committee, as applicable, to settle a Share Award in cash, as soon as practicable after each Distribution Date or on the Final Date (if the Distribution Date is the Final Date), the Corporation shall issue to the participant or to the participant's estate, a number of Common Shares equal to the number of Share Awards in the participant's account that became payable on the Distribution Date (the "**Payment Shares**"). As of the Distribution Date, the Share Awards in respect of which such Common Shares are issued or cash is paid shall be cancelled and no further payments shall be made to the participant under the Share Award Incentive Plan in relation to such Share Awards.

Total Shares Subject to Share Awards

Unless otherwise approved by the TSXV and the Shareholders:

- (a) the securities that may be issued to Participants under the Share Award Incentive Plan shall consist of those authorized but unissued Common Shares which the Board and/or Corporate Governance and Compensation Committee has, in its discretion, reserved and approved for issuance under the Share Award Incentive Plan from time to time;

- (b) subject to adjustment in accordance with the Share Award Incentive Plan, the aggregate number of Common Shares that may be issuable pursuant to the Share Award Incentive Plan and all other security based compensation arrangements, including the Stock Option Plan, shall not exceed 6,000,000 Common Shares;
- (c) the Board shall not grant Share Awards under the Share Award Incentive Plan if the number of Common Shares issuable pursuant to outstanding Share Awards, when combined with the number of Common Shares issuable pursuant to outstanding Options and outstanding securities under any other security-based compensation arrangements of the Corporation, would exceed 10% of the issued and outstanding Common Shares at the time of the grant;
- (d) the number of securities issued to insiders of the Corporation (as such term is defined in the policies of the TSXV) within any one-year period, under all security based compensation arrangements, including, without limitation, the Stock Option Plan, shall not exceed 10% of the issued and outstanding securities of the Corporation at the time of grant calculated on a non-diluted basis;
- (e) the aggregate: (i) number of Common Shares that may be reserved for issuance pursuant to the exercise of RSAs granted to non-management Directors pursuant to the Share Award Incentive Plan shall not exceed 1.0% of the Common Shares outstanding from time to time; and (ii) value of RSAs granted to any one non-employee Director in any calendar year under the Share Award Incentive Plan and under any other security based compensation arrangements, including, without limitation, the Stock Option Plan, shall not exceed \$150,000;
- (f) the number of securities issued to any one Participant and such Participant's associates, within any one-year period, under all security based compensation arrangements, including, without limitation, the Stock Option Plan, shall not exceed 5% of the issued and outstanding Common Shares at the time of the grant;
- (g) the number of securities issued to a Participant who is a consultant, within any one-year period, under all security based compensation arrangements, including, without limitation, the Stock Option Plan, shall not exceed 2% of the issued and outstanding Common Shares at the time of the grant;
- (h) no securities shall be issued to any Participants who are employees engaged in investor relation activities under the Share Award Incentive Plan;
- (i) to the extent Share Awards are exercised or to the extent any Share Awards are terminated for any reason or are cancelled, the Common Shares subject to such Share Awards shall be added back to the number of Common Shares reserved for issuance under the Share Award Incentive Plan and such Common Shares will again become available for Share Award grants under the Share Award Incentive Plan; and
- (j) if the acquisition of Common Shares by the Corporation for cancellation should result in any of the above tests no longer being met, this shall not constitute non-compliance with the Share Award Incentive Plan for any awards outstanding prior to such purchase of Common Shares for cancellation.

For purposes of the calculations above, the Share Award Incentive Plan provides that it shall be assumed that all issued and outstanding Share Awards will be settled by the issuance of Common Shares from treasury,

notwithstanding the Corporation's right to settle Share Awards in cash or by purchasing Common Shares on the open market.

Duration of Share Awards

Each Share Award and all rights thereunder shall be expressed to expire on the date set out in the Award Notice and shall be subject to earlier termination by ceasing to be a director, officer, consultant or employee or by death or disability of the Participant.

Subject to the rules and regulations of the TSXV or any other exchange on which the Common Shares are listed for trading, and notwithstanding any other provisions of the Share Award Incentive Plan, if the Distribution Date of any Share Award occurs during or within 10 business days following the end of a Black-Out Period (as defined below), the Distribution Date of such Share Award shall be extended for a period of 10 business days following the end of the Black-Out Period (or such longer period as permitted by the Exchange or any other exchange on which the Common Shares are listed and approved by the Board). "**Black-Out Period**" for the purposes of the Share Award Incentive Plan means the period of time when, pursuant to any policies of the Corporation, any securities of the Corporation may not be traded by certain persons as designated by the Corporation, including any holder of a Share Award.

Amendments Subject to Shareholder Approval

The Board has the absolute discretion to amend, suspend or terminate the Share Award Incentive Plan or awards granted thereunder. The only amendments to the Share Award Incentive Plan that would be subject to shareholder approval are amendments that would:

- (a) increase the number of securities issuable under the Share Award Incentive Plan otherwise than in accordance with the terms of the Share Award Incentive Plan;
- (b) increase the number of securities issuable to an insider of the Corporation otherwise than in accordance with the terms of the Share Award Incentive Plan;
- (c) extend the Distribution Date of any Share Awards held by insiders of the Corporation beyond the original Final Date of the Share Awards;
- (d) add any form of financial assistance to a participant in the Share Award Incentive Plan;
- (e) permit a participant to transfer any Share Awards to a new beneficial holder other than for estate settlement purposes;
- (f) increase the maximum number, or the maximum value, of RSAs that may be granted to non-employee directors; and
- (g) amend the amendment provisions of the Share Award Incentive Plan.

Outstanding Share Awards

As at December 31, 2021, no Common Shares were reserved for issuance pursuant to the Share Award Incentive Plan.

Employment, Consulting and Management Agreements

Except as provided below, there were no agreements or arrangements under which compensation was provided during the financial year ended December 31, 2021, or is payable, in respect of services provided to the Corporation or any of its subsidiaries that were performed by a NEO or director of the Corporation, or were performed by any other party but are services typically provided by a NEO or director of the Corporation.

On July 15, 2019, the Corporation entered into executive employment agreements with Messrs. Atkinson, Yau, and McMurren in connection with their roles as President and Chief Executive Officer; VP Finance & Chief Financial Officer; and Vice President, Engineering, respectively (the "**Employment Agreements**").

The Employment Agreements provide a termination payment upon a termination by: (a) the executive if, within ninety days from a change of control, good reason exists and is not cured within thirty days of notice of termination provided by the executive (as such terms are defined in the Employment Agreements); or (b) the Corporation without cause. The termination payment shall be equal to, in relation to each Employment Agreement the aggregate of: (a) all accrued but unpaid expenses required to be reimbursed under the relevant Employment Agreement and salary for services rendered up to the termination date; (b) the pro-rated value of any accrued but unused vacation entitlement as at the termination date for that portion of the calendar year in which the executive was actively employed; (c) the greater of either: (i) the amount of minimum notice or, at the Corporation's option, payment in lieu thereof, or combination of notice and pay in lieu thereof, required by the *Employment Standards Code* (Alberta); or (ii) notice of termination or, at the Corporation's option, pay in lieu of notice (where by way of salary continuation or lump sum) or a combination of notice and pay in lieu thereof, equivalent to 18 months for Mr. Atkinson and 12 months for the other NEOs; and (d) twenty percent of the executive's salary (as at the termination date) as compensation for the loss of employment benefits.

The estimated payments which would be payable by the Corporation under the Employment Agreements, assuming a termination of employment without cause occurred on the date hereof, would be, in the aggregate, \$900,000.

CORPORATE GOVERNANCE PRACTICES

In accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* ("NP 58-201"), issuers are to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Corporation is also subject to NI 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Corporation. The Board and the Corporation's management consider good corporate governance to be central to the effective and efficient operation of the Corporation. Below is a discussion of the Corporation's approach to corporate governance.

Corporate Governance

The Board has established a Corporate Governance and Compensation Committee. The members of the Corporate Governance and Compensation Committee are Messrs. Steven Smith, Neil Smith, McCreath, Kohut, Nally and Ms. McDonald. Mr. Steven Smith is the Chairman of the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee is comprised entirely of non-management members of the Board, and the Board has adopted a written charter setting forth the responsibilities, powers and operations of the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Corporation's expense. The Corporate Governance and Compensation Committee meets at least twice annually and otherwise as requested by the Board or considered desirable by the Chair of the Corporate Governance and Compensation Committee.

The Corporate Governance and Compensation Committee is responsible for proposing new director nominees to the Board and for assessing current directors on an ongoing basis. The Corporate Governance and Compensation Committee is also responsible for the Corporation's response to and implementation of the guidelines set forth from time to time by any applicable regulatory authorities.

Independence of Members of the Board

The Board currently consists of eight (8) directors, seven (7) of whom are independent based upon the tests for independence set forth in NI 52-110. Messrs. Beynon, Steven Smith, Neil Smith, McCreath, Kohut and Nally and Ms. MacDonald are independent. Mr. Atkinson is not independent by virtue of serving as President and Chief Executive Officer of the Corporation.

Board Oversight

The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board, as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an in-camera session among the independent and disinterested directors.

Board Mandate

The Board has adopted a written mandate, the full text of which is attached as Schedule "E" to the management information circular of the Corporation dated November 20, 2019 that summarizes, among other things, the Board's duties and responsibilities. Interested Shareholders may obtain a copy of the mandate upon request (free of charge) by contacting the Corporation at Suite 2400, 333 – 7th Avenue S.W., Calgary, Alberta T2P 2Z1, or by accessing the Corporation's SEDAR profile at www.sedar.com. The Board is responsible for the overall stewardship of the Corporation and dealing with issues which are pivotal to determining the Corporation's strategy and direction. The Board has directly, and through the appointment of certain committees, put in place an effective system for monitoring the implementation of corporate strategies. The Board is not involved in the day to day operations of the Corporation, as these operations are conducted by the Corporation's management. The Board meets regularly to consider and approve the strategic objectives of the Corporation and management plans designed to accomplish those objectives. Where appropriate, key management personnel and professional advisors are invited to attend Board meetings to speak to these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions and financing proposals. The Board approves, among other things, all issuances of securities of the Corporation, the appointment of officers, the entering into of lines of

credit or other significant borrowing activities and all significant transactions. The Board considers, but has no formal policies, concerning management development and succession and risk management.

Essential to strategic planning is assessing and understanding business risks and related control systems. The Board helps set limits with respect to business risks, to the extent they can be managed, and approves strategies for minimizing risks. Implementations of these strategies are then monitored by the Board. The Board, through the Audit Committee, requires management of the Corporation to put into place systems to address financial risks and to periodically report to the Board on these systems and risks.

Management has implemented procedures to provide reasonable assurance of effective communication with the Shareholders and the public. The Corporation's management is responsible for the issuance of press releases and communications with the financial community. The Board reviews and approves all principal continuous disclosure documents, the release of interim and annual financial statements, annual information forms, prospectuses and information circulars.

The Corporate Governance and Compensation Committee is responsible for monitoring the governance systems of the Corporation with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments. The Corporate Governance and Compensation Committee also acts as a nominating committee for new directors, oversees and approves the Corporation's compensation plans and evaluates the overall Board effectiveness.

Position Descriptions

The Board has developed a written position description for the Chairman of the Board and the Chief Executive Officer of the Corporation, but has not developed a written position description for the Chairman of the Audit Committee.

The Chair of each committee of the Board schedules meetings of the committee and organizes and presents agendas for such meetings.

The Board, in conjunction with management, sets the Corporation's annual objectives which become the objectives against which the Chief Executive Officer's performance is measured. The Board has plenary power; any responsibility which is not delegated to management or a Board committee remains with the Board.

Orientation and Continuing Education

While the Corporation does not have a formal orientation and training program, new members of the Board are provided with:

- (a) a copy of the policies and mandates of the Board and its committees and copies of the Corporation's corporate governance policies, which provides information respecting the functioning of the Board;
- (b) access to recent, publicly filed documents of the Corporation;
- (c) access to management; and
- (d) access to legal counsel in the event of any questions relating to the Corporation's compliance and other obligations.

Members of the Board are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Corporation, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Corporation's operations. Board members have full access to the Corporation's records.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSXV for effective corporate governance, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Additionally, in order to encourage and promote a culture of ethical business conduct, the Board has adopted a Code of Business Conduct and Ethics (the "**Code**") wherein directors, officers and employees of the Corporation and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process. Interested Shareholders may obtain a copy of the Code upon request (free of charge) by contacting the Corporation at Suite 2400, 333 – 7th Avenue S.W., Calgary, Alberta T2P 2Z1, or by accessing the Corporation's SEDAR profile at www.sedar.com.

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the Corporate Governance and Compensation Committee. Compliance with the Code is monitored primarily through the reporting process within the Corporation's organizational structure.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect of same if the interest is material. The Code imposes a similar disclosure requirement on all non-director representatives of the Corporation and requires such persons to report such conflict to the executive officer to whom that person reports in the course of his employment responsibilities, or, in the case of a senior executive officer, to the Audit Committee and fully inform such person or committee, as applicable, of the facts and circumstances related to the conflict or potential conflict. The representative is prohibited from taking any further action in respect of the matter or transaction giving rise to such conflict or potential conflict unless and until he is authorized to do so by his reporting officer or the Audit Committee.

Nomination of Directors

The Corporate Governance and Compensation Committee has responsibility for identifying potential Board candidates. The Corporate Governance and Compensation Committee assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the oil and gas industry are consulted for possible candidates. The written charter of the Corporate Governance and Compensation Committee includes considering and recommending candidates to fill new positions on the Board, reviewing candidates recommended by Shareholders, conducting inquiries into the backgrounds and qualifications of candidates, recommending the director nominees for approval by the Board and the Shareholders, considering conflicts of interests, recommending members and chairs of the committees, reviewing the performance of directors and the Board, establishing director retirement policies and establishing and implementing an orientation and education program for new members of the Board.

 - (v) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Shares of the Corporation in any twelve month period to persons employed to provide investor relations activities. Options granted to Consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than $\frac{1}{4}$ of the options vesting in any 3 month period.
- (b) The number of Shares subject to an option granted to any one Participant shall be determined by the Board, but no one Participant shall be granted an option which exceeds the maximum number permitted by the Exchange.

10. Duration of Option

Each option and all rights thereunder shall be expressed to expire on the date set out in the option agreement and shall be subject to earlier termination as provided in Sections 13 and 14, provided that in no circumstances shall the duration of an option exceed the maximum term permitted by the Exchange. For greater certainty, if the Corporation is listed on the TSX Venture Exchange Inc. ("**TSX Venture**"), the maximum term may not exceed 10 years. The TSX Venture does not impose a maximum term for the duration of an option.

Should the expiry date of an Option fall within a Black Out Period or within nine Business Day following the expiration of a Black Out Period, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Black Out Period, such tenth Business Day to be considered the expiry date for such Option for all purposes under the Plan. The ten Business Day period referred to in this paragraph may not be extended by the Board.

11. Option Period, Consideration and Payment

- (a) The option period (the "**Option Period**") shall be a period of time fixed by the Board not to exceed the maximum term permitted by the Exchange, provided that the option period shall be reduced with respect to any option as provided in Sections 13 and 14 covering cessation as a director, officer, consultant, employee or Management Company Employee of the Corporation or its subsidiaries, or death of the Participant.
- (b) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist.
- (c) Subject to any vesting restrictions imposed by the Board, options may be exercised in whole or in part at any time and from time to time during the option period. To the extent required by the Exchange, no options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.
- (d) Except as set forth in Sections 13 and 14, no option may be exercised unless the Participant is at the time of such exercise a director, officer, consultant, or employee of the Corporation or any of its subsidiaries, or a Management Company Employee of the Corporation or any of its subsidiaries.

- (e) The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares of the Corporation unless and until the certificates for Shares issuable pursuant to options under the Plan are issued to him or them under the terms of the Plan.
- (f) The Board may, in its sole and absolute discretion, subject to any required approval of any regulatory authority or the Exchange, declare that the Participants (other than those Participants engaged in investor relations activities) shall be entitled to exercise Options on a "net" basis at any time prior to the expiry time of such Options. The exercise of any Option on a "net" basis will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares in respect of which the Option is being exercised on a "net" basis. Upon such exercise, the Participant shall be issued such number of Shares as is equal to (i) the "in-the-money" amount for all of the Participant's Options being exercised on a "net" basis (being the then VWAP (calculated at the date of exercise) less the exercise price of each such Option) divided by (ii) the then VWAP (calculated at the date of exercise), and multiplied by (iii) the number of Options being exercised on a "net" basis.

12. Withholding Taxes

The Corporation shall have the authority to take steps for the deduction and withholding, or for the advance payment or reimbursement by the Participant to the Corporation, of any taxes or other required source deductions which the Corporation is required by law or regulation of any governmental authority whatsoever to remit in connection with this Plan, or any issuance of Shares. Without limiting the generality of the foregoing, the Corporation may, in its sole discretion:

- (a) deduct and withhold additional amounts from other amounts payable to a Participant;
- (b) require, as a condition of the issuance of Shares to a Participant that the Participant make a cash payment to the Corporation equal to the amount, in the Corporation's opinion, required to be withheld and remitted by the Corporation for the account of the Participant to the appropriate governmental authority and the Corporation, in its discretion, may withhold the issuance or delivery of Shares until the Participant makes such payment; or
- (c) sell, on behalf of the Participant, all or any portion of Shares otherwise deliverable to the Participant until the net proceeds of sale equal or exceed the amount which, in the Corporation's opinion, would satisfy any and all withholding taxes and other source deductions for the account of the Participant.

13. Ceasing To Be a Director, Officer, Consultant or Employee

If a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason other than death, such Participant's Option will terminate at 4:00 p.m. (Calgary time) on the earlier of the date of the expiration of the Option Period and 30 days after the Termination Date. A Participant shall have no entitlement to damages or other compensation whatsoever arising from, in lieu of, or related to not receiving any Option which would have vested or been granted after the Termination Date, or which could have been exercised after the Termination Date but for this Section 13, including but not limited

to damages in lieu of notice at common law. For greater certainty, any Participant who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the Plan.

Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

14. Death of Participant

Notwithstanding section 13, in the event of the death of a Participant, the option previously granted to him shall be exercisable only within the one (1) year after such death and then only:

- (a) by the person or persons to whom the Participant's rights under the option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that such Participant was entitled to exercise the Option at the date of his death.

15. Rights of Participant

- (a) No person entitled to exercise any option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such option until certificates representing such Shares shall have been issued and delivered.
- (b) No person has any right to compensation or damages for any loss in relation to this Plan including any loss in relation to:
 - (i) any loss or reduction of rights or expectations under the Plan in any circumstances (including termination of employment for any reason; and
 - (ii) any exercise of discretion or a decision taken in relation to a grant of Options to the Plan, or any failure to exercise discretion or make a discretion.

16. Proceeds from Sale of Shares

The proceeds from the sale of Shares issued upon the exercise of options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

17. Adjustments

If the outstanding Shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another Corporation or entity through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, or any adjustment relating to the Shares optioned or issued on exercise of options, or the exercise price per share as set forth in the respective stock option agreements, shall be adjusted in accordance to the terms of such agreements.

Adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Common Share shall be required to be issued under the Plan on any such adjustment.

18. Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

19. Amendment and Termination of Plan

The Board may terminate or discontinue the Plan at any time without the consent of the Participants provided that such termination or discontinuance shall not alter or impair any Option previously granted under the Plan.

The Board may by resolution amend this Plan and any Options granted under it without shareholder approval, however, the Board will not be entitled, in the absence of shareholder and Exchange approval, to:

- (a) reduce the exercise price of an Option held by an Insider of the Corporation;
- (b) extend the expiry date of an Option held by an Insider of the Corporation (subject to such date being extended by virtue of paragraph 10 above)
- (c) amend the limitations on the maximum number of Shares reserved or issued to Insiders under paragraphs 9(a)(ii) and 9(a)(iii) hereof;
- (d) increase the maximum number of Shares issuable pursuant to this Plan; or
- (e) amend the amendment provisions of this Plan under this Article 19.

Where shareholder approval is sought for amendments under subsections (a), (b) and (c) above, the votes attached to Shares held directly or indirectly by Insiders benefiting from the amendments will be excluded.

20. Necessary Approvals

The ability of a Participant to exercise options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from shareholders of the Corporation and any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any option exercise price paid to the Corporation will be returned to the Participant.

21. Effective Date of Plan

The Plan has been adopted by the Board subject to the approval of the Exchange and, if so approved, subject to the discretion of the Board, the Plan shall become effective upon such approvals being obtained.

22. Interpretation

4.2 Vesting Period

Each Share Award will vest on such terms as shall be specified by the Board or Committee at the time of granting an award of Share Awards as reflected in the Award Notice, except as otherwise provided in this Plan. - (a) Subject to Sections 5.1(b) and 5.1(c) below and to the rules and policies of the Exchange and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan or awards granted hereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the Plan to comply with rules and policies of the Exchange.
- (b) Notwithstanding Section 5.1(a) but subject to 5.1(f), the Board shall not alter or impair any rights or increase any obligations with respect to a Share Award previously granted under the Plan without the consent of the Participant.
- (c) Notwithstanding Section 5.1(a), none of the following amendments shall be made to this Plan or awards granted hereunder without approval of the Exchange (to the extent the Company has any securities listed on such exchange) and the approval of shareholders:
 - (i) amendments to the Plan which would increase the number of securities issuable under the Plan otherwise than in accordance with the terms of this Plan;
 - (ii) amendments to the Plan which would increase the number of securities issuable to Insiders otherwise than in accordance with the terms of this Plan;

- (f) The Plan will terminate on the date upon which no further Share Awards remain outstanding.

5.2 Compliance with Laws/U.S. Tax Matters

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any regulations of a duly constituted regulatory authority. If at any time the Board determines that the listing, registration or qualification of the Shares subject to the Share Award upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body, securities exchange, or the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with, the granting of such Share Awards or the issue of Shares thereunder, no such Share Award may be awarded or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

The Share Awards awarded to Participants who are U.S. Taxpayers are intended to be exempt from Section 409A of the United States Internal Revenue Code and the provisions of this Plan shall be interpreted consistent with that intent.

5.3 Reorganization of the Company

The existence of any Share Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

- (b) any exercise of discretion or a decision taken in relation to a grant of Share Awards or to the Plan, or any failure to exercise discretion or make a decision.

5.7 No Shareholder Rights

Under no circumstances shall Share Awards be considered Shares or other securities of the Company, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, nor shall any Participant be considered the owner of Shares by virtue of the award of Share Awards. A Participant will acquire rights to Shares in respect of Share Awards only upon the allotment and issuance to the Participant of such Shares in accordance with this Plan.

5.8 Fractions

No fractional Share will be issued pursuant to an award granted hereunder. The number of Shares issuable upon payment of any award granted under this Plan will be rounded down to the nearest whole number of Shares. No payment or other adjustment will be made with respect to the fractional Share so disregarded.

5.9 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, the Plan shall be unfunded and the Company will not secure its obligations under the Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Share Awards under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.

5.10 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company makes no representations or warranties to Participants with respect to the Plan or the Shares whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to accept all risks associated with a decline in the market price of Shares.

5.11 Participant Information

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer the Plan. Each Participant acknowledges that information required by the Company in order to administer the Plan may be disclosed to other third parties in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

5.12 Indemnification

Every director of the Company will at all times be indemnified and saved harmless by the Company from and against all costs, charges and expenses whatsoever, including any income tax liability arising from any such indemnification, that such director may sustain or incur by reason of any action, suit or proceeding, taken or threatened against the director, otherwise than by the Company, for or in respect of any act done or omitted by the director in respect of administering this Plan, such costs, charges and expenses to include any amount paid to settle such action, suit or proceeding or in satisfaction of any judgment rendered therein.
